EVENTS | Cabanas

The NORTH CABANA is located on the rooftop of La Bottega Trattoria and serves as the perfect venue for indoor/outdoor events all year round. A sun roof encloses the fully heated outside space during the winter months and features a working fireplace. During the summer months, the enclosure is removed so guests can enjoy the stars and the view down onto the La Bottega central courtyard.

The SOUTH CABANA is located on the rooftop of La Bottega Cafe and serves as the mirror image of the North Cabana. The South Cabana features no enclosure and is best used during the summer months.

The North and South Cabanas can be combined and connected by a beautiful catwalk to accommodate larger events.
